Who Are We?

Camp of the Rising Son has been a ministry of French Camp Academy since 1980. CRS is an outdoors adventure summer camp centered on the Word of God. Our mission is to share the life-changing love of Christ with young people through the beauty of God's creation, building relationships, and having fun! We offer numerous activities that our campers choose from that get them playing and learning new skills. Check out our website to see a list of our activities and more info about attending CRS!
