Dear Camp Intern Adventure Applicant,

We are thrilled that you are interested in Camp of the Rising Son's Camp Intern Adventure. Our C.I.A. program has two stages: Discipleship stage 1 is for 13-14 year olds and Discipleship stage 2 is for ages 15-17. It is a terrific opportunity you don't want to miss!

As a part of a select group, C.I.A.s spend the week unplugged in the outdoors working with terrific chiefs to serve the staff and campers. There are times for building relationships and recreation and times to study God's Word and grow in your personal faith. You will leave camp with a better understanding of what it means to be a disciple of Christ and what it takes to make CRS magic for our campers!

C.I.A.s are not staff; however, while doing various jobs around camp, you will see firsthand the duties and responsibilities of the staff and work with the chiefs to make the camp week exciting and fun. It is a great step up from being a camper and a sneak peek into the life of a chief. C.I.A.s will also get opportunities to play and grow together through activities, programs, and games just for them!

Admission to the CIA D1/D2 program is competitive and requires an application. Be sure to fill out the appropriate form for either D1 or D2 and return it to camp by February 15. We are seeking applicants who are growing in their faith in the Lord and are willing to maintain a great attitude while working hard to serve others. There are a limited number of spots available each week. Applicants will be notified of acceptance to the program by March 8. No payments are required until after the CIA has been admitted into the program.

We are excited about this opportunity for our teens to experience camp from a whole new perspective! If you are interested in being a part of the adventure this summer don't wait to submit your application! For more information or questions feel free to email us at info@campoftherisingson.com or call the camp office. Hope to see you this summer!

In Christ,

Carrie Browning
Camp Director
