# WELCOME TO CRS!

## LETTER TO PARENTS

Dear Parents,

Thank you for choosing Camp of the Rising Son to be part of your camper's summer. We are so excited to get to know him or her and have an incredible week building friendships, working together, having fun in activities, and learning together about Jesus.

We are thrilled to announce BRAVE as our summer 2023 camp theme! We cannot wait to talk with your camper about what it means to live bravely through Christ by studying how Daniel and his friends obeyed God no matter what!

It is a huge privilege that you have entrusted your camper to us this summer. This year has been full of preparation, and we are truly grateful for the opportunity to spend this week with your camper. Our hope is that this handbook answers all of your camp questions—there is even more information on the FAQ sections of our website! If you have any additional questions, please contact our office at 662-547-6169 or email us at [info@campoftherisingson.com](mailto:info@campoftherisingson.com). We look forward to seeing you soon for an absolutely incredible summer!

In His Service,  
The CRS Team

## UPON ARRIVING:

- We can't wait to welcome you and your camper to a full week of fun and excitement! CRS uses a drive through check-in—think of it as a drop-off parade! Here are a few things that would help this run as smooth as possible.
  - Please arrive during your assigned timeslot. This will help us minimize wait times. We'll email a reminder the week prior to your session.
  - **Have your balance paid and all your forms submitted BEFORE you get to camp.**

- Have medications out of luggage and ready to give to our nurse at check-in and have your camper letters ready to drop off!
- From your car you will be directed to drive through a series of tents where you will:
  - See the Registrar tent if you need to update information, settle accounts, or ask any questions. Also, make sure we know who is picking up your camper!
  - Visit the Healthcare Supervisor tent to drop off any medications and complete the health screening check. Be sure to let them know any updates to your child's health history.
  - Have the option to snap a quick photo by our CRS sign and give your camper a big hug!
  - Grab your camper's 2023 t-shirt!
  - Pick up any preorders of our super cool camp merchandise at the camp store tent.
  - Finally, stop at the Unit Director in the scout/maiden unit to receive your campers cabin assignment!
- You and your camper will be greeted by **your child's counselor** who will then escort your child and help him or her get settled into a bunk. We are asking parents to remain in their cars during this process so their camper can jump right into the camp experience and make new friends! Be sure to give hugs and say goodbye before pulling up to their counselor!

## TIPS FOR A TERRIFIC CHECK IN:

- Get excited about arriving at camp—even decorate your car to make a grand entrance!
- **Please do not arrive early!** We are not able to accommodate early drop offs.
- Restroom access is available at the Lodge Parking lot once you complete the health check!
- Please do not bring pets with you for drop off or pick up of campers.
- Communicate with your camper about the drive through drop-off. We have found that this process has helped kids to jump right in to all the fun we have for them!
- **Tell them much fun they will have at camp, and you can't wait to hear all about it Friday!**

## LATE ARRIVALS:

If circumstances cause you to arrive after the designated time, please call the camp office (662-547-6169) so we can plan accordingly! Any registered campers who have not arrived by the end of the designated check in time without prior notice will be contacted by the camp office.

## GET EXCITED!!!

Is your camper more than thrilled about coming to camp?! Let us know by using the #CRS2023BRAVE on posts that show your camper packing or otherwise getting ready for his or her week at CRS! We can't wait to see our campers' smiles!

CREATION  RELATIONSHIPS  FUN

# DEPARTING CAMP

## UPON DEPARTURE:

- We will be hosting a Closing Ceremony **Friday at 3:30 p.m.** in the Lodge! You will be able to enjoy a peek of your camper's week as well as watch a video of the week!
- Be sure to check the lost and found tent on your way in to grab anything your camper left around and make a quick stop at the camp store kiosk to grab some fun gear!
- Your camper will be getting their newspaper, picture, character award, and camper prize (2<sup>nd</sup> year campers and higher)! Be sure to ask them about it!
- At the unit, you will sign out your camper with their counselor by showing your ID to verify you are on the authorized pickup list. **Be sure to have your government issued ID ready – this is REQUIRED to pick up your camper.**
  - **Your written permission is required for CRS to release your child to anyone other than their parent or guardian.** You can let us know in advance by updating this household information on your online account at least 24 hours prior to pick up, or you can notify the registrar during check-in if this is your plan. Email [info@campoftherisingson.com](mailto:info@campoftherisingson.com) to contact our registrar.
- Enjoy the car ride home hearing all about your camper's amazing week!
- **We ask that no child leave until Friday afternoon.** This is to ensure your child and all the campers receive the maximum benefit of their time at camp. For any early departures necessary please contact the camp office to make arrangements prior to the camp session. If a camper needs to leave during a session, he/she will be unable to return to camp for the remainder of that session.

# HEALTH MATTERS

Thank you for entrusting our child to our care this summer. The safety and well-being of our campers is of utmost importance to us, and we ask to partner with us to ensure a safe, healthy week for each child. Our healthcare staff are available 24 hours a day should a camper need care due to injury or illness.

Please help us take the best possible care of your child by reviewing the following instructions:

- **Please return completed Health History Form by May 1<sup>st</sup>.** The Health History form is available on your online account or on our website under "Camp Forms". It should be completed by the parent. It is important that we have current information on your child's health to offer the best care possible, so please contact the camp if any information changes after submitting your child's Health History form.
- If your camper has special dietary needs, please notify the office at least 2 weeks in advance.
- **Please keep sick campers at home.** The best way to have a safe week of camp is for each person to arrive healthy! We ask that parents pre-screen their child for fever, symptoms of contagious disease, and lice before bringing them to camp. A child must be free of fever, lice, or

any signs of contagious disease for at least 24 hours before arriving at camp. If your child gets sick immediately prior to his scheduled camp week, please call the office to make arrangements for late arrival or a change of weeks.

We appreciate each family taking these additional precautions to help us camp healthy!

- **A Health Check and screening** including a temperature and head lice check will be provided for each camper during check in.
  - Should a camper present a fever of 100.2 or higher on the initial check, they will be asked to visit a secondary screening area. Confirmed presence of a fever of 100.2 or higher will necessitate cancellation or rescheduling of a camper's visit to later in the summer.
  - Campers will be asked about any possible recent contagious disease exposure and symptoms.
  - Any camper found with lice must be taken home for treatment. The camper may return to camp when lice free and will be re-checked upon arrival.
- **Medications should be turned in to the Health Supervisor during Check-In.** Campers are not permitted to have any medications in the cabin.
- Medications will **only be dispensed from their original containers**. Prescription drugs must be in the original container and prescribed to your camper. Non-prescription drugs will be dispensed only under the signed instructions of a parent or physician. The camp infirmary keeps a stock of commonly needed medications, so bringing non-prescription drugs is unnecessary. The Health Supervisor makes certain all campers receive medications as directed on the health form. *Please note - pillboxes or pills in Ziplock bags cannot be accepted.*
- The only medications allowed outside the camp infirmary are rescue inhalers, diabetic supplies, and epi-pens for campers who are accustomed to being responsible for these. You must check-in with the health supervisor if your camper carries one of these.
- During camp, **we will contact you by phone if your camper requires more than 24 hours of rest in the infirmary, needs to visit the doctor, or receive prescription medication.**
- Campers whose medical needs are beyond what our Healthcare staff can accommodate will be taken to Trace Urgent Care or to Baptist Medical Center Attala in Kosciusko, MS.

CRS is committed to following best practices and following guidelines so that parents can be confident in their child's camp experience. However, we are not able to guarantee that campers will avoid contracting any communicable disease. By enrolling a camper, you are assuming full responsibility of such risk.

- CRS has the ability to test any camper exhibiting symptoms of infectious diseases, perform contact tracing, and offer comfortable infirmary facilities while waiting for parent pick up.
- Campers testing positive for highly contagious diseases (such as COVID-19, strep throat, or pink eye) will be contacted for parents to pick them up as soon as possible.
- Handwashing and sanitizing stations will be available around camp and in each building to help keep those hands clean!
- If your camper develops symptoms or tests positive for an infectious disease within one week of arriving home from camp, please call the camp office to notify us.

# STAYING IN TOUCH

- If you need to reach the camp office call 662-547-6169 or email [info@campoftherisingson.com](mailto:info@campoftherisingson.com)  
We have staff available 7:30 a.m. to 6:00 p.m. except mealtimes and weekends.
- During your camper's session, for an afterhours emergency contact **662-516-5582** to reach our leadership team member on call. *Please note registration questions cannot be handled through this line.*
- **Campers love to get mail!** Send cards and letters and encourage family and friends to do the same! Address it to your camper's full name and include your camper's cabin (if known) on the envelope.

**Send Mail to:** "Your Child's Name"  
Camp of the Rising Son  
444 Lake Road  
French Camp, MS 39745

- We encourage you to send a letter before coming to camp so that your camper will receive mail on time (we will be sure it gets to the right cabin). ***You may also drop off letters at check in for us to give to your camper throughout the week.*** We have a box in the drive through just for these! You may write the day you would like your camper to receive it (campers will not receive letters on Sunday). This method ensures that it will not be delayed by the mail system!
- **CRS is package Free!** Camp is a gift in itself and packages are an unnecessary distraction. All envelopes containing items other than a letter are considered packages and will be held in the camp office for you to pick up on Friday. The only exceptions are forgotten necessary items or if your camper has a birthday during the week. Do not send candy, gum, or other food items...this invites insects into the cabins. Please notify anyone necessary of the no-package policy!
- **Create a BUNK1 account to stay connected with camp throughout the week!**
  - Step 1: Go to [www.Bunk1.com](http://www.Bunk1.com) (or download the app!)
  - Step 2: Create an account and link to CRS through the invitation code **RISINGSON23**
  - ***When creating your account, please enter a cell phone number and enable SMS notifications. We will use this communication during your camper's session if we need to contact you about any important updates or emergencies that may arise.***
    - Step 3: Select a bundle to send emails or choose Photo Gallery access only for free. *See the Bunk1 info sheet at the end of the packet for details.*
  - **View the photo gallery!** Our photo gallery is updated throughout the week with photos to allow parents a sneak peek into camp life. While we take as many photos as possible, we may not have a picture of your child every day. Viewing the photos is free through your Bunk1 account!
  - All photos online are available for purchase as prints, digital downloads, and gift items. You can also share your favorites by email or social media!

- **Camper Email!** Though not as good as an actual letter, CRS offers Bunk Notes, a for-fee service that allows you to email your child and even receive a handwritten reply in your inbox. Bunk Notes requires an account with Bunk 1. *See the information sheet at the end of the packet for more details.*
- **Please reserve telephone calls for business purposes and emergencies.** The camp experience is “unplugged,” so campers do not have access to a phone. Your questions are always welcome by our camp office. One of our staff will contact you by phone if we have concerns about your child.
- Due to the busy camp schedule and for the safety of all campers, parent or family member visitation is not allowed during camp sessions. Please call the office should any concerns arise.
- **Leave cell phones at home.** Camp is a place where we “unplug” from the digital world in order to enjoy face to face relationship and fun. In a situation where a phone is needed for the trip to and from camp, please turn it in to the office. It can be picked up from the counselor on the final day of camp.
- **Birthdays at Camp!** We love celebrating birthdays at CRS! Camp staff sing a special Happy Birthday song and the birthday camper’s cabin is treated to cake! A camper’s birthday is an exception to the no-package policy! The standard no phone call policy is still followed.
- Keep in touch with CRS throughout the week and all year long through the Camp of the Rising Son Facebook page or follow us @CRS\_talk on Twitter or Instagram! Look out for #CRS2023BRAVE.

## GENERAL INFORMATION

- **Campers do not need money at camp.** Camp tuition includes all expenses for activities, a daily snack Monday-Friday from the Camp Store, a camp T-shirt, and a camp picture. Families can purchase CRS merchandise online through our camp store to be picked up during camper drop-off.
- **Cabin assignments are given out at check-in.** Your camper may request to be housed in the same cabin as a specific friend. We guarantee to honor one mutually requested cabinmate within one grade of each other. Meeting and making new friends are a real benefit of camp! (Larger group requests may be divided up by camp staff). Each cabin has 2 counselors and up to 12 campers.

- **Lost and found.** We want each camper to go home with every item brought to camp! While we do our best to get items back to your child, sometimes they do not even recognize their own things! At pick-up each Friday we display the lost and found collected. *Please stop by to check for your child's items before leaving.* Clearly mark your camper's items—we offer kid proof name labels from Oliver's Labels access the [link](#) through your online account summary under "Camp Extras." Items left behind will be held for one month, after which they will be donated.
- **Camp rules** are established to help all campers safely enjoy their week of camp. Campers must willingly agree to abide by the rules as explained in camp and activity orientations. Parents will be contacted if there is a continuous problem of behavior that threatens safety or detracts from the wholesome environment Camp of the Rising Son desires to provide. A camper who is determined by the Camp Director to have committed a major violation or continue behavior that is detrimental to the camp community will be dismissed from camp.
- **Weekly Themes.** A delightful CRS tradition is to feature a fun-filled theme each week! We have PLENTY of costumes and props, but feel free to send your camper with theme items if you wish!

Week 1	Week 2	Week 3
<b>ANDY'S COMING</b> Have you ever wondered what would happen if your toys came alive? Well, wonder no more as favorite toys from the big screen come alive and make an appearance at camp!	<b>CAMP COMES ALIVE</b> Be aware... things around camp might not be what they seem as things appear to be changing over night!	<b>OLYMPICS</b> A week full of competition. Random challenges, puzzles, team building, and many more adventures to see who really runs the camp.
Week 4	Week 5	Week 6
<b>NAUGHTY OR NICE</b> Someone has been naughty, and it's time for Santa and his elves to get to the bottom of it and make sure that Christmas can go on!	<b>STARS AND STRIPES</b> A hero emerges in a new era of camp where all things patriotic have been outlawed. Time to retake what is ours and celebrate the good ole US of A.	<b>ANYTHING CAN HAPPEN</b> Prepare for just about anything as this classic theme returns to the lineup this year - full of the most random things you can think of. Quite literally, ANYTHING. CAN. HAPPEN.
Teen Week		
<b>PAINT WARS</b> Get ready for epic color battles and challenges throughout the week! Be prepared with a few extra changes of clothes that you don't mind getting colorful!		

# TIPS FOR YOUR CHILD'S SUCCESS:

Homesickness is a normal part of adjusting to camp life for some campers. It is typically an anxious feeling brought on by adjusting to a new environment. With our 1:6 counselor to camper ratio, intensive staff training, and active schedule, homesickness is usually kept at bay. If it does occur, our staff are prepared to support any camper dealing with homesickness. Our goal is for each camper to have a successful week--we know that growth and self-confidence come through taking risks and overcoming challenges. With a little preparation from you, together we can help your child have a wonderful week!

- Communicate confidently to your camper that they will have a great week. Talk about all the things your child has to look forward to and keep up their excitement about camp while encouraging them to make new friends and try new things.
- Look over the activity list and help your camper get excited about the fun they will experience during camp!
- *Do not* tell your camper that they can come or call home if they do not like camp. This contributes to homesickness and the camper's ability to adjust to camp life. Our staff will contact the parents of a camper experiencing above average levels of homesickness by phone.
- If your child is not used to being away from you, give them some practice overnight stays with grandparents, family, or friends.
- Don't overschedule your child's summer. If he or she is attending other overnight camps, schedule a time of rest at home before coming to CRS.
- On Check-in Day drive to the unit, let him/her know it will be a terrific week and you can't wait to hear stories of camp adventures on Friday, and keep the goodbye short and sweet. This helps prevent homesickness and encourages your child to bond with his chiefs and cabinmates.
- Let your camper know he or she can go to their counselor or unit director with any problems or questions.
- Avoid sending letters that tell details of what is being missed at home; instead, focus on the fun things they are experiencing at camp and encourage them that it is okay to have fun while away.
- If you receive a letter from your camper about missing home, do not panic. Remind yourself that your child is surrounded by chiefs making every effort to help them have fun and feel safe. Feel free to email or call the camp office to check on your child.

## AFTER CAMP

- After your child's session, you will receive a parent survey to evaluate your child's experience with us. Please let us know about your child's experience as we strive to continually improve!
- Your camper will receive a letter from his or her counselor during the school year. We work hard to recruit and train excellent, trustworthy staff and encourage them to develop wholesome, healthy relationships with campers. Our desire is that our staff has had a positive impact on your child. With the abundance of ways to communicate available today, we want you to be an informed decision maker regarding communication between our staff and your campers outside of the camp setting. We expect behavior that is above reproach from our staff. Our policy is that all communication with a camper must be open and accessible to the parent. Please notify us immediately if you suspect any inappropriate behavior by one of our staff members.

# OVERNIGHT CAMP ACTIVITIES

Activities at Camp of the Rising Son are the most looked forward to part of each day! At CRS, our campers get to **personalize their activities!**

Many of our activities are also part of the awards program that allows campers to complete tasks to earn their activity award. This builds if they do it again the next year!

**Campers will sign up in person for their activities during our Sunday night event.** This allows campers the opportunity to practice independence, increased control over activity selection, and the ability to coordinate their schedule with friends or cabinmates. Each camper participates in five activities daily, going to each one Monday-Thursday.

**Before camp help your camper become familiar with the activities below.** In the cabin upon check-in, your camper will receive their sign-up form and mark **five top preferences plus two alternates**. Campers will then use this form to officially sign-up for activities in person during Camp Kick-Off Sunday night. Counselors work with each camper to be certain that each one is pleased with his activity schedule. # SEE YOU THIS SUMMER!

# LETTERS FROM THE UNIT DIRECTORS

## **Hello Maidens!**

I am so excited to be at CAMP with you all so soon! The countdown is on until we are back at CRS having lake days, camp outs, yummy food, singing camp songs, and learning more about Jesus together! If you are new to camp this summer, I am so excited to meet you! And if you are returning, I am overjoyed to see you again :) This summer at CRS is going to be full of fun, growth, and joy!

Our theme for the summer is "BRAVE." We are going to study the book of Daniel together and learn about how God is faithful and kind to his people! We will also get to read about how Daniel was brave by faith in the Lord. While Daniel was going through many struggles and challenges (even sleeping in a lion's den!), he trusted God! Through faith, we can have this deep trust in the Lord, just like Daniel did. We will learn that Daniel was brave, not because of his own strength, but because of the Lord's strength!

I am so ready to be with you all again! Get ready for summer of 2023 because it's coming up fast! Until then, I hope you are all having a wonderful school year. My prayer for you all is that you continue to know more and more about God this year and his love and grace toward sinners. And remember, God calls us to pray in all circumstances. He delights in hearing from you!

Excited to see you all soon!

In Christ,

Chief Kellie Bentz, 2023 Maiden Unit Director

"Do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus." - Philippians 4:6-7

## **Dear Lads of the CRS Scout Unit,**

I hope this letter finds you well! Camp is only a few months away and will be here before we know it! I am very excited to see you and to experience camp with you this summer! There is a lake waiting to be full of sailboats, canoes, Beaversharks, and YOU! The woods are aching for its twigs and sticks to be used to make a fire for smores and Camp Stew! The cabins are empty and eager to be inhabited by the brave souls of the scouts! There are many adventures awaiting you this summer at CRS, but most importantly the Lord longs to be with you, to know you, to guide you, and to redeem you!

This summer our theme for camp is BRAVE! Last summer we learned about the Ten Commandments and the freedom we have in them. "🎵One, two, three, four, five, six, seven, eight, nine, ten, the ten commandments🎵"! Excitedly, this summer we are talking about the bravery of Daniel and other faithful followers of God in the book of Daniel and throughout the Bible! To be brave is to be courageous and fearless. However, when the Lord calls us to be brave, we don't find this confidence within ourselves, but we find it IN HIM! With God, we are able to endure, withstand, and go through this life and its obstacles obediently and faithfully. We will learn together what it looks like to be brave in this world by trusting in the Lord!

I am praying for you now; I will be praying for you while you are on your way to camp, I will be praying with you when you get here, and I will continue pray for you after you have had the BEST week ever! You can even read the book of Daniel before you get to camp so you can already be familiar with the stories! Also, I hope you're excited for the MEMORY VERSES we will learn and store in our hearts! Do you remember Romans 10:9 from last summer? "If you openly declare that Jesus is Lord and believe in your heart that God raised him from the dead, you will be saved" (Romans 10:9).

I AM EXCITED TO SEE YOU!

Josh Hamilton, Your Scout Unit Director
